This effort, along with Tunisia's trend toward modernization and the demands of millions of tourists that arrive every year, will most likely result in a more seamless experience when using your credit and debit card during your visit. Using ATMs in the City . At the end of 2017, there were about 2,275 ATMs in Tunisia. All of these ATMs can ...

One of the most beautiful things in Tunisia is the Tunisian people and their hospitality. There are so many amazing people who are incredibly generous and warm-hearted. So, my advice is to get to know Tunisian people. There might be a little language barrier with some of the people but it does not matter. With Tunisians, you will learn about ...

technologies de batterie les plus avancées sur le marché sont les batteries lithium-ion, les batteries au plomb et les batteries de flux redox. Ensuite, plusieurs aspects liés à l"utilisation ...

If you rent a car, there's usually an option to have a GPS. Still, our favorite option is Google Maps. Google Maps works pretty well in Tunisia... except when it doesn't. There have been some occasions it wants to place us on an undriveable road or take us into an area that is packed with people and would be difficult to get a vehicle ...

If you"re considering renting a car in Tunisia, you"ve come to the right place. I rented a car in February 2024 with two other friends to do a big road trip around Tunisia. We went to the most northern tip of Africa at Ras Angela, down to the deserts of Tozeur and Tatooine, and several stops in between. The road trip was my favorite week of the two months I spent in ...
