The European Battery Regulation 2023/1542 now applies in all Member States since 18 February. While it will repeal the Battery Directive 2006/66/EC only with effect from 18 August 2025, it will introduce an extensive set of new rules applying to all manufacturers, importers and retailers, including the following obligations following specific timelines, namely:

Een van de weinige Battery Repair Centers van Europa. Autogroep Ursem Barten mag door haar jarenlange ervaring met elektrische- en hybride Hyundai's, Mitsubishi's en Nissan's batterijreparaties uitvoeren aan geëlektrificeerde modellen. Dit doen wij als één van de weinige in Europa in ons Battery Repair Center.

After many repair/replacement shops declined to touch the battery case for fear of damaging it, I tried a fine jewelry store. They referred me to a store that specialized in clock sales and repair. Now every 2-3 years, I drop off the watch and get it back 2 weeks later, clean, polished and with a fresh battery.

If you have AppleCare+ and your iPhone battery holds less than 80 percent of it's original capacity, you are eligible for a battery replacement at no additional cost. ...
