

Buying batteries is addictive

Consumer Reports" tests show the best car batteries for 2024 when it comes to overall performance, with picks in several type categories and advice on where to buy. Ad-free. Influence-free.

"Someone else might buy this, so I better get it now." This hunter-gatherer instinct can backfire and lead to an accumulation of too much inventory in the home. When the shopping and inventory creep start to ...

I bought this red, lantern flashlight from K's Denki because I wanted to test it out when making a video. My little video experiment failed, unfortunately, but not before I noticed something interesting. The flashlight was battery-powered, so I need to go and buy some. I opened up the flashlight and took a look inside. [...]

Those companies include Samsung, LG and Sanyo. You'll notice that when you buy a vape battery, though, none of those names are on the label. Instead, you'll see a name like IMREN. The companies that sell 18650 batteries to consumers actually buy the

People often say that a little retail therapy can't hurt. Most people even joke about being "addicted" to shopping because they love it. However, a real addiction to shopping exists, and it's often stigmatized or misunderstood because shopping is so socially accepted. A compulsivity towards it is usually trivialized. Shopping addiction, or compulsive buying disorder ...
