Renson carports are produced from aluminum, which comes at a cost and thus also has an impact on the price of the carport. Carports made of wood will be cheaper, but are also a lot less durable and require more maintenance compared to aluminum. An aluminum carport never needs to be sanded, painted, varnished or sealed.

In 2024, 6x6 carport prices and double carports prices are essential to know if you're planning to add carports to your property. Whether you're in Pretoria, East, West, North, Centurion, or Johannesburg, South,
