

# Folding solar car tent

We took these panels out on bright, sunny days and dim, cloudy days, testing them side-by-side to see how they stack up. There's a great solar panel for every use, from affordable models to those designed for expeditions ...

Now that I'm on the edge of 40, "car camping" with an air mattress and a pillow in my tent feels like the fucking Hilton. And being able to use full-size cookware is still a little novel. But that said, people use pop-up campers all the time, and that's a goddamned small house that literally unfolds when you turn a crank .

Tent lights for camping hanging retractable hook,clamshell foldable LED light,4000mAh, 40 Hours Max Working Time,5V,4W. ... It will be used for car camping and will solar charge by sitting on my dashboard. Strong fan output on the highest setting and very comfortable on times when you want a lower setting.
