

Guoguang New Energy Battery

Guangzhou NPP New Energy Co., Ltd is a specialized backup power products manufacturer with six permanent factories in China which are located in Guangdong, Hunan and Henan. The total investment is more than one ...

Guoguang ("GG-TEC") is a professional manufacturer of electric vehicle components, including various charger plugs, sockets, connectors, cables, wallboxes and stations. We offer a variety ...

EIKTO is a leading lithium battery innovator, we are specialized in Lithium-ion battery technology development and manufacturing, our integrated PACK is suitable for forklifts, marine, heavy trucks and battery energy storage system (BESS). We contribute to global low-carbon emissions, and to promote the development of the clean energy.

The new process increases the energy density of the battery on a weight basis by a factor of two. It increases it on a volumetric basis by a factor of three. Today's anodes have copper current ...

In this exclusive interview with pv magazine, Guoguang Chen, President of Smart PV & ESS Business at Huawei Digital Power, in this, discusses company strategy and recent announcements ...

Woteam New Energy (Guangdong) Co., Ltd was founded in 2014 and is located in Dongguan City, Guangdong Province. Location is excellent and the transportation is convenient. ... Home storage battery; LiFePO4 battery; E ...

Lithium iron phosphate battery cell; Cycle life > 5000 times; Can be widely used in power generation side, grid side, user side, backup power and new energy automobile ...

The 14th Shanghai International Energy Storage Lithium Battery and Power Battery Conference and Exhibition 2025 will be held at the Shanghai New International Expo Center from August 13-15, 2025. This exhibition aims to accelerate the development of the new energy vehicle industry and the power battery industry.
