

HJ Solar After-sales Service Fee Standard

You will probably still have an electric utility bill after going solar. Most homeowners need to buy power from the grid at night and when their panels aren't producing enough electricity.

After-sales service or support is any assistance that a company gives to its clients after they've purchased a product. This may refer to equipment maintenance, warranties, exchange and return policies, etc. As to non-material products, like software or services, after-sales support includes consultancies, training, upgrades, and much more.

this is such BS. I have 100% positive feedback and they slip in this 6% extra because a few items out of 100 were shipped first class so no tracking. Ebay needs to be sued. there is no info on this hidden fee in their customer service "fees" page. Someone get on suing these Mfers. This is class action material.
