Home battery box supplier

2 to 5 HVS battery modules can be connected in series in one "Battery-Box" (stack), providing 5.1 to 12.8 kWh of capacity. Additionally, connection of up to 3 identical HVS Battery-Boxes allows a maximum capacity of 38.4 kWh. If you want to start out smaller, the ability to scale by adding HVS modules or HVS Battery-Boxes later is always there.

To maximise your home battery storage, we also offer a powerful web monitoring portal and supporting mobile app. So, you get full visibility over your energy usage. You're always connected, and always in control. You can remotely manage your system, smart devices, and battery. And, in turn, you can continually optimise to reduce your spend further.
