Hi all! Long time lurker here in need of some help! I'm headed to Iceland with friends in early October for a little over a week. I've now ordered and returned two pairs of pants. The first were snowpants but they were too small and they didn't have the next size up. The second pair claimed waterproofness but I learned at home they were not. So ...

Any recommendations? Would the Walmart ...

This is not a recommendation, as I have yet to try the product myself. But Nitecore does manufacture the summit line of Powerbanks. They are very similar to their other lightweight powerbanks. But they have an auto temp detection feature that activates an auto warming mode when trying to operate a power bank below below a certain temp. I can ...
