Recommendation for quality 26650 batteries. Thread starter mikec49; Start date Mar 13, 2018; Help Support Candle Power Flashlight Forum M. mikec49 Newly Enlightened. Joined Mar 6, 2018 Messages 15. Mar 13, 2018 #1 I'm not finding as much info on them as I do for the 18650. I just ordered an acebeam EC60 and would like a couple good batteries. F. fmc1 ...

What is the current recommendation/best practice for a new battery for a 2023 Outback Touring XT. (Manufacturer & model). I have my first service visit later this week and wanted to know the best choice for a battery replacement. My vehicle can't make 6 days in between starts, without the battery going dead. I will ask the dealer to check out the charging ...

General rule with batteries is rechargeable batteries will not hold a charge as long as a non rechargeable. There are pros and cons to both types and understanding what you're using the batteries for will help determine what battery you should get. Voltage matters too because NiMH rechargeable batteries have a nominal voltage of 1.2. If you're ...
