To have the battery in the hands pocket is a hassle. The ability to use the battery "s from the major manufacturers would be nice meaning the battery packs from Milwaukee/Dewalt/Bosch will not work on this system. I interchange the battery holster from other jackets no problem- I can only use a usb battery with this vest. A big tweek is to ...

This NASCAR Bobby Labonte Interstate Batteries Jacket put all racing jackets to shame!! This is a dope and unique Jeff Hamilton Racing Jacket. And, this fascinating jacket is trending these days due to its design, color, and features that are simply amazing. This NASCAR Bobby Labonte Interstate Batteries Jacket comes in multicolor. The external ...

I bought this Oslo Jacket AKA armored jacket to me for about 3 years ago in NY. As a truck driver everyone can imagine how much we do drive and get in to different weather conditions. I am very happy and its worth all the penny I spent. It is goretex and insulated very though stitches and seamless clean looking.
