The Replacement Sierra Wireless W-1 Battery has been cross-referenced to be compatible with or replace these OEM part numbers and models: BLI-1330-1-5. BLI-1330-1.5.

These environmental benefits, however, are dampened by the environmental waste problems that are expected to hit in ten to fifteen years with a "battery bomb" of used-up lithium-ion batteries (LIBs) . The vast majority of EVs run on LIBs because lithium is lightweight, energy-dense, and durable for repeated recharging . The average battery ...
