The B1424 code indicates a problem with the solar sensor circuit on the driver side of the vehicle. The solar sensor is a component of the climate control system that measures the intensity of sunlight and adjusts the interior temperature accordingly. This sensor helps the HVAC system maintain a comfortable cabin temperature by adjusting the ...

As the inspection light is moved away from the sensor, the voltage increases. Use an incandescent lamp for inspection. Bring it within 30 cm (11.8 In.) Of the a/c solar sensor. If the result is not as specified, replace the solar sensor. Installation. Install solar sensor. Connect the connector, and then push in the solar sensor.

Read value of intelligent tester (solar sensor d side) Connect the intelligent tester (with can vim) to the dlc3. ... Replace air conditioning amplifier. Pressure sensor circuit Description This dtc is output when the refrigerant pressure is either extremely low (0.19 Mpa [2.0 Kgf/cm<sup>2</sup>, 28 psi] or less) or extremely high (3.14 Mpa [32.0 Kgf/cm<sup>2</sup> ...

I am on vacation and the AC has stopped working in my '01 Prius. I have run the HVAC diagnostic and it shows the "21" code. The only thing I can find related to this code is the solar sensor fault. I have located the solar sensor on ...

Get A Suitable Replacement - You'll have to get a new solar light sensor to replace the faulty one you have, for starters. Ideally, you should get an identical replacement so that it fits perfectly with your solar light. Still, you might find that those are unavailable. In that case, shop around carefully for a new sensor that's ...

# Solar Side Sensor Replacement

This mounted solar light by HMCity is our top motion-sensor pick. The light has three modes: security mode, which uses the motion sensor to go on and off automatically; smart brightness control, where the light stays on all night but turns brighter when it detects motion; and permanent on, which turns on and stays on all night.

This item can be returned in its original condition for a full refund or replacement within 30 days of receipt. ...
