Prices tend to decrease with the length of the trip; longer rentals generally get better rates. Renting a pocket wifi router in Japan: How it works

FYI most of the used phones I have seen on display are SIM-locked to one of the Japanese carriers. If that works for you, great. If you are taking it to another country then it won't work there. Used, unlocked phones are of course in high demand and are rarely seen on the shelves. Make sure the phone boots withOUT being plugged in.

TDR comprises Tokyo Disneyland and Tokyo DisneySea, as well as the on-site resorts. This Tokyo-based Disney resort is another incredible foray into what it means to be immersed in Disney magic.
