We, Karthik Auto Sales leading manufacturers, & suppliers of Rubber O rings, Oil seals, Radiator hoses, and rubber mould products in Chennai. Karthik Auto Sales was born in 1989 as a sole proprietorship in the industry.

· Approved by a major OEM to meet serviceability requirements for its EV battery pack lid seal
· Offers immediate handling after automated warm-applied dispensing, stays soft and is easily ...

The 400 series bonded seal was originally designed to replace copper type washers in high-pressure systems. The 400 series bonded seal comprises a metal washer and an elastomeric ring bonded inside the diameter. The metal washer prevents over-compression and limits deformation of the elastomeric ring.
