What are the battery manufacturers in Kuwait

Battery Replacement And Related Services. Get your car's dead or damaged battery replaced with super quality batteries from AlMailem

Battery life depends on the type and capacity of the solar street light battery. But you can expect an average battery life of 12 hours and 3-5 days of backup on rainy days. As a solar street supplier, we recommend and even use LiFePo4 lithium battery instead of Li-ion or lead acid for better efficiency.
